

## Fundraising Committee - Report for P&C Meeting, 14 May 2013

### **Fundraising Update**

Most of the last committee meeting focused on the P&C's role in the 90<sup>th</sup> Birthday celebrations, and on thinking ahead to Trivia Night 2014. This will be the biggest and most volunteer-intensive event on the fundraising calendar, and while no specific preparations are planned for the immediate future, we are looking for expressions of interest from anyone who would like to take on the overall coordination. Also, if there are any notes or lists from Trivia Nights past, it would be great if you could make them available.

The next events yet to be organised are Father's Day, Election Day and Grandparent's Day.

### **Grants Discovery**

We are still looking for a volunteer with some experience in the domain of grants applications. The possibility of applying for various government and non-government grants has been discussed, as has the option of subscribing to an external grant finding provider; however, a volunteer would be needed to screen these external data and initiate and monitor grant proposals.

### **Volunteers needed, especially from Yrs K-2**

As a number of our very talented and involved veteran fundraisers will leave the school in the coming years, more volunteers are needed particularly from infant stage to take over. Anyone interested in becoming involved please contact [fundraising@bbpspandc.org.au](mailto:fundraising@bbpspandc.org.au).

**NEXT MEETING:** to be announced – please contact [fundraising@bbpspandc.org.au](mailto:fundraising@bbpspandc.org.au) for details.
