#### **Mother's Day Stall**

All under way; please send in donations  
Insurance notification completed and submitted

#### **Father's Day**

Ellie Waddell has kindly volunteered to coordinate this year's Father's Day event. If you would like to become involved, please contact her directly, or email [fundraising@bbpspandc.org.au](mailto:fundraising@bbpspandc.org.au).

#### **Class Parent Welcome**

On 13 March, the P&C hosted a welcome night for class parents. Thirteen people in total attended the night, including a number of Year K and Year 1 class parents. We received very positive feedback from the class parents who attended, and were able to address a range of common questions about the role of the P&C, fees and contributions, fundraising and other issues.

#### **Website update**

An update to the fundraising section of the P&C website is under way. Antje Hofmann submitted a draft FAQ section to the P&C executive to be discussed and adjusted before going up on the website. De-identified versions of the Fundraising Committee's reports to each P&C meeting will also be available on the website.

#### **First Aid Course**

As you will have seen, promotion of the First Aid Training fundraiser on 24 and 25 May is well under way, and the first signups and payments have been received.

No P&C insurance required??????????????????

**80s Party**

Georgie Howard and Justine Bennett are seeking donations for the night's auction at the moment. Tickets will go on sale in Week 1 of Term 2, and are expected to sell out quickly. Get in early to make sure you secure a table for your fellow class parents and friends.

We are putting together a great team of people to help with the fundraiser. Early next term there will be a call out to the school for donation hunters to walk the streets and people to help with other specific duties.

We have approx 40 donations to date. Great prizes but a lot more needed. In particular we would appreciate any 'intelligence' on parents who can possibly donate something; in particular for the live auction of 5 experiences 'money can't buy'.

**Next Fundraising Committee Meeting**

To be determined, first half of Term 2.
