### **City 2 Surf**

The annual City to Surf fundraiser on the past weekend was again a big success. Final revenue numbers were not yet available at the time of this report. Many thanks to Kimberly Johns for single-handedly organising the parking! This year, bookings were made and paid for prior to the event through TryBooking. This system made it easier for interested parties to quickly finalise their booking and significantly reduced the administrative demands on Kimberly and the P&C treasurer. A big thank you also to Linda Henson, Monique Hitter and Nick Daly for organising the BBQ, and to Liezel Preller for recruiting and coordinating volunteers!

### **CPR/First Aid training - Perform CPR - Basic first aid when caring for kids**

The new format First Aid training fundraiser will now take place on Wednesday 3 September, 6-9.30pm. This course is nationally recognised ([HLTAID001](#) Perform cardiopulmonary resuscitation). We are still seeking more participants, please come and join us and/or spread the word.

### **Father's Day**

On 5 September we will host a Father's Day event. Ellie Waddel is coordinating the organisation. The event will be modelled on last year's successful basketball shootout before school.

### **Next Fundraising Committee Meeting**

The next fundraising committee meeting take place on Thursday 21.08. at 7.30pm at Chapter One wine bar, Campbell Pde. Anyone interested in becoming involved is very welcome, please email [fundraising@bbpspandc.org.au](mailto:fundraising@bbpspandc.org.au) if you would like to attend. Among other issues we will start looking at the event calendar for 2015, canvas for volunteers to coordinate individual events, and look over fundraising ideas currently 'on the back burner'.
