**In attendance:** Maria Hardy, Debbie Brandon, Rob Keldoulis, Cath Kara, Cassandra Larden, Kira, Justine, Karen, Kylie, Andi, Liezel, Ellie Waddell, Taminga

**Apologies:** Merran Hughes

**Business:**

### **OOSH report Kira**

Welcome BBQ was a success. Assessment rating results exceeded in quality in area two (health and hygiene). There is a waiting list for Tuesday and Thursday afternoon spots. Mainly K to year 2 students in care. Management report to come.

### **Qkr**

Andi has done research on providers. Qkr is widely used in Victorian schools. Very easy to use. Qkr is a payment platform for the school, canteen and uniform shop. Qkr is well designed and includes e-signature functions. What is our lease with Skoolbag app? Are there commitments with other products? Qkr has small fees on credit card transactions compared to other products.

### **Treasurer**

Rob Keldoulis has put forward Ellie Waddell as the new treasurer. The P&C all voted in favour. Resolution: Ellie Waddell is the P&C treasurer.

### **Principal's report**

From Maria: the school is going paperless. Student parent interviews will be made online. • Should we send out a Survey Monkey? • The School Plan is due. • The school has been accepted to be part of the STC drama program, four teachers will have an actor working with them in their classroom. • How are Kids Matter (restorative practices) programs going? • Department property update: \$40,000 successful application. Need to replace eaves, gutters and roof, \$750,000 required. • Voluntary contributions, can we send out the same letter again?

### **PSSA sport**

Centennial Parklands has increased fees significantly. Can't get a straight answer as to what the correct fees are. The P&C would like transparency regarding the fees that Centennial Parklands will charge for PSSA. Motion: all in favour to be able to use Centennial Parklands for PSSA sport at a reasonable cost as per previous years.
