### **1. Discussion of playground plans:**

Henry, Gail and Liezel will co-ordinate grant application due July 18. Henry is drawing up plans for the grounds, including new play space, shade, basketball hoops along side of hall, and bubblers, and this should be available for comment by week 1 term 3, with the grant application being due the end of that week. Vote to dedicate 40K to upgrading school grounds, hopefully in conjunction with money from grant [HK, LP].

2. iPads will be funded, money donated to library fund via P&C is designated for this and remainder comes from trivia night earnings.
3. Georgie gave wrap up of trivia night, including which aspects were the biggest earners. Will follow up with thank you letters. She is also putting together package of info for future use.
4. Andi voted onto school council.
5. Fundraising committee would like to set a date for next first aid night. Tentative date is 27 August. Should be no problem but will check on hall availability.
6. Street talk email received regarding this, put on agenda for August.
7. Violin group would like \$110 for spare strings. Approved
8. School council would like feed back on the schools participation in PSSA sport. For example, some of the pros are that the kids do enjoy it but cons are it may not be a very effective use of time and is not good at skill building. Would gala days be better option.
