Business:

Welcome BBQ — P & C table at the Welcome BBQ, Erica has organised info flyers. Need volunteers to man the BBQ, how do we send out this information?

OOSH licence — the licence has expired and needs to be renewed, which is a tender process or look at the P & C running OOSH. The licence fee has gone up a lot as there are more children. Should the P & C run the OOSH licence? Need a separate company paid by the P & C with staff to run this? Maria Hardy said the P & C used to run OOSH, which is complex. What were the issues last time? Potential problems would be staffing issues etc. Do we have money to pay a consultant to put together a business plan?

Maria's update — a big thank you to Andrea Breslin and Hutchinson Builders for completing the long wish list. Need a fan for the uniform shop?

The teacher learning days were great training, integrating the curriculum, coaching course for executive team. Will be starting sessions for parents to help with homework. Plus restorative workshop.

Fundraising committee meeting — 7.30pm Tuesday 17th at an off-site location.
